

Party in Space!

Are you looking for a unique birthday party for your child? If so, why not have a super spectacular "party in space" inside an inflatable planetarium!

The AstroDome Planetarium is Calgary's only traveling HD Digital Dome Theatre and it can accommodate your birthday party audience of up to 30 kids and 15 adults. Yep! That's right, up to 45 people inside the planetarium all at once!

The 1-hour program includes a full-dome movie, an interactive tour of the night sky, and an opportunity to hold an actual meteorite in your hands. The meteorite is an impressive museum quality specimen that will surely impress everyone at your party! Also included is your choice of either Astronaut Ice Cream or a Mars bar for each child, which you can add to their loot bags.

There are three parties to choose from, based on the age of the birthday boy or girl.

- The Little Dipper Party (Ages 4 to 6)
- The Big Dipper Party (Ages 7 to 10)
- The Milky Way Party (Ages 11 to 14)

The portable planetarium must be set up indoors and requires a room with a high ceiling. It will probably NOT fit inside your house and so you will almost certainly have to rent a space to accommodate it. The minimum ceiling height required is 12-feet and the minimum floor space required is 24-feet by 24-feet. The floor must be clean and non-abrasive and a nearby electrical outlet is required.

The AstroDome Planetarium is based in High River and if the planetarium is taken to a location that is greater than 75 km from this location there will be a mileage surcharge added.

Please visit the website at www.astrodome.ca for more details and to contact us. Thank you!

ASTRODOME PLANETARIUM

We have two birthday options. You can choose either Astronaut Ice Cream (Option A) or you can choose Mars bars (Option B) as the item that each child will receive. These will be given to you upon arrival so that you may add them to your loot bags.

In addition to birthday parties, the AstroDome Planetarium is also available to visit schools, libraries, nature centres, summer camps, and community groups. It's also available for your community event, corporate event, conference, or trade show.

For more information about the AstroDome Planetarium and our Birthday Parties, please visit our website at www.astrodome.ca or you can call us at 403-973-STAR.
